

Real Austin Wedding: Celina + Joel

SUNDAY, AUGUST 8, 2010

We thought it would be fun to start the week with you by featuring a gorgeous local wedding shot by Jeff over at Jeff Loftin Photography. The lovely Celina & Joel celebrated their nuptials at Villa Antonia and the color purple was the perfect choice for a summer Austin wedding.

How divine! Both Celina and Joel looked absolutely stunning on their big day and the purple decor was impeccably used as a both a bold accent and as a subtle background tone. This is what an Austin wedding should be!

A huge thanks to Jeff Loftin Photography for sharing these fantastic photos with all of us and big “Congratulations” to Celina and Joel!
